

Tapoco Hydroelectric Project FERC Project No. 2169
Tapoco Project Shoreline Management Plan
June 2006 Addendum

On October 1, 2004, the Tapoco Division of Alcoa Power Generating Inc. filed the Tapoco Project Shoreline Management Plan (SMP) with the Federal Energy Regulatory Commission (FERC) for approval. By order dated March 31, 2006, FERC approved the SMP with the following modifications:

- (1) The prohibition of floatplane docking and mooring is deleted from the SMP.
- (2) APCI shall review and update as necessary, the SMP every ten years in consultation with the North Carolina Department of Environment and Natural Resources, North Carolina Wildlife Resources Commission, North Carolina State Historic Preservation Office, U.S. Forest Service, U.S. Fish and Wildlife Service, Bureau of Indian Affairs, Great Smoky Mountains National Park, Eastern Band of Cherokee Indians, Cross Creek Property Owners Associations, Friends of Lake Santeetlah, Town of Lake Santeetlah, Town of Robbinsville, Graham County, Sierra Club, American Rivers, Tennessee Clean Water Network, The Nature Conservancy, Tennessee Department of Environment and Conservation, Tennessee Wildlife Resources Agency, Tennessee Historical Commission, and the Tennessee State Historic Preservation Office. The update shall be filed with FERC for approval. The first update shall be filed on or before April 1, 2016. APCI shall allow the consulted parties 30 days to review and comment. The filing must also include copies of agency comments and recommendations and descriptions of how the agencies' recommendations were accommodated. If APCI does not adopt the agencies' recommendations, the reasons must be included in the filing based on project specific information.

In accordance with the FERC order dated March 31, 2006, Pages A-3 (Appendix A), B-3 (Appendix B), and C-3 (Appendix C) of the Tapoco Project SMP have been modified to specify that reviews and updates of the SMP will be made as necessary every ten years.

Page B-4 (Appendix B) has been modified in accordance with the FERC order dated March 31, 2006 to delete the prohibition of seaplane docking or mooring at piers permitted by APCI.

Revised Appendices A, B, and C are attached in their entirety. Please replace Appendices A, B, and C in the SMP dated October 2004 with the enclosed documents.
