\*Dock service includes moving docks throughout the season, storing on front-lot properties, replacing flotation, repairs, etc.

These contractors are not employed by the Lake Office in any way to perform work for lakefront property owners, and the company does not certify the workmanship of any contractors listed. The order of the list is random and does not indicate any sort of preference. It is the responsibility of the permit holder to ensure work is performed as agreed in an approved permit issued by our office. Names may be added and removed from the list at any time, without prior notification to the applicant or the contractors.
